

Music Selections for Funeral Liturgies

2022

The sacred and communal nature of our Catholic Funeral Celebration requires careful planning in the selection of music. This planning will insure the ability of all those gathered to actively participate in the celebration. Because of the sacredness of the Holy Sacrifice of the Mass, secular instrumental or vocal music, or the use of recorded music of any kind may not be used.

Below is a list of music that may be used at Espirtu Santo Catholic Church. Please select one for each of the following: Gathering Song, Preparation of Gifts, Communion Song and Sending Song. Responsorial Psalm selections are a separate sheet.
