Dear Catholic School Parents and Guardians,

April 20, 2020

I'm writing to you once again to communicate changes to our plans for our Catholic school students.

In keeping with the directives and guidelines from our government and public health authorities, **Bishop Gregory Parkes has directed that all Catholic School and Early Childhood centers will be closed to students through the end of the 2019-20 academic year. All schools will conduct online/virtual learning for the remainder of the academic year.**

Currently, our administrators are working on alternate plans for graduations, final grades, and end-of-the-year procedures. Your child's school will be in contact with you about all of these issues. Due to the fact that we immediately converted to online learning in mid-March, we are on target to complete our required number of school days on time.

In times like these, our faith is what will sustain and guide us. It's important that we pray together and for one another. As always, please be assured of my prayers and those of my many colleagues in our Catholic schools.

Sincerely in Christ,

Christopher L. Pastura

Superintendent of Catholic Schools and Centers
