2021-2022 Formation Year

Dear Families,

Welcome! On behalf of Espiritu Santo Roman Catholic Church and School, thank you for your commitment to your child & family's faith formation. It is our hope and prayer that during this year we may grow together in our love and discipleship of our Lord Jesus Christ.

As parents / guardians, you have an essential role in the formation of your child's Catholic identity. The time and energy you spend promoting a rich faith in your child now will bear fruit in so many ways as they mature. You are aware that *example* is the best way to teach children about the Catholic faith. Your family prayer and reflection, participation in Mass and reception of sacraments, giving of your time, talent, and treasure to your parish community, your neighboring community, and God's global community will teach your children more about their faith than any religion class can possibly accomplish.

The success of our Religious Education & Faith Formation process depends upon the support and active participation by our parish families. Please offer your assistance to our staff to ensure that our education efforts are a reflection of the talents and gifts which God has blessed us with.

May we all grow much closer to God through Jesus Christ and promote "compassion" wherever we go.

Together with you in ministry!

Father Len Piotrowski - Pastor

Dear Families,

Welcome and thank you for choosing the Espiritu Santo as a layer of your religious education and faith growth. The staff eagerly looks forward to serving you during the 2021-2022 formation year.

We hope this handbook will provide you with valuable information about the formation year. It is important that you read through and discuss the information as a family. **You are asked to sign acknowledgement and agreement of this on your registration form.** *Additional forms, releases and policy agreements will be provided and added to your registration file.*

As parents you know how important your role is in the education and faith formation of your child. Please take the time to engage in your child's lessons. Break open the Word together, reflect on sacred scripture - apply the messages to your own family life. Make it relevant. Make it meaningful. Make it matter. This is how you will make it last! Our formation year will offer special focus on whole family catechesis, your domestic church enrichment. What a beautiful faith-focus it will be!

The clergy, staff, and catechists thank you for the privilege of working with your family. The year promises to be rich in meaning for all.

Privileged to serve you in faith!

Sue Sferra
& your Espiritu Santo family

Mission & Vision

Mission Statement

The welcoming community of Espiritu Santo, inspired by the Holy Spirit, is committed to encountering Christ by spreading the joy of the Gospel, celebrating the sacraments, serving with compassion, and embracing all on our journey of faith together.

Vision Statement

Espiritu Santo Catholic Church and School is a warm and welcoming Eucharist centered parish community reaching out to all people in their treasured diversity. We support and encourage all people, especially our youth, to grow and participate more fully in their journey of faith. We actively engage in parish and community ministries that transform our words of faith into works of compassion, mercy and a commitment to social justice in the one global family. We envision a stronger commitment to better understand, appreciate and celebrate the joy of the gospel, the grace of the sacraments and the transformative power of prayer and God's infinite love.

The Catechism of the Catholic Church:
Part Three, Section Two, Chapter Two—

"You Shall Love Your Neighbor As Yourself"

[The Christian Family](#)

[2204](#)

"The Christian family constitutes a specific revelation and realization of ecclesial communion, and for this reason it can and should be called a *domestic church*."⁹ It is a community of faith, hope, and charity; it assumes singular importance in the Church, as is evident in the New Testament.¹⁰

[2205](#)

The Christian family is a communion of persons, a sign and image of the communion of the Father and the Son in the Holy Spirit. In the procreation and education of children it reflects the Father's work of creation. It is called to partake of the prayer and sacrifice of Christ. Daily prayer and the reading of the Word of God strengthen it in charity. The Christian family has an evangelizing and missionary task.

[2206](#)

The relationships within the family bring an affinity of feelings, affections and interests, arising above all from the members' respect for one another. The family is a *privileged community* called to achieve a "sharing of thought and common deliberation as well as their eager co-operation as parents in the children's upbringing."¹¹

Sacrament Preparation

Reconciliation / First Communion and **Confirmation** preparation are two year processes - beginning in the primary level, usually grade 1 for Reconciliation / First Communion and grade 7 for Confirmation. Specialized curriculum is used for each. Preparation is also available for older children in need of formation and the sacraments through specialized sessions in a process called **RCIA for Youth**. Families are expected to assist in the formation process by **regularly & actively participating in the faith**. An important way of participation is by being active in the Mass at least weekly.

Acre Assessment—5th Grade, 8th Grade and 11th Grade

For the purpose of assessing the Faith Formation progress, the Diocese of St. Petersburg has established guidelines for administering the Assessment of Catholic Religious education to grades 5, 8 and 11. The questionnaire will be administered as directed by the Diocesan Office in the spring of the school year.

As of August 2021, sessions be offered in a hybrid model - combining student classroom sessions, whole family catechesis on campus, online and at home domestic church enrichment. WHEN we physically gather (in classrooms or larger spaces, the policies and guidelines on the following pages will be followed):

Class Participation

Since each grade level of our faith formation has its own curriculum focus, regular participation in all grade levels is essential for the development of mature faith -

Faith Formation is a life long process and should continue beyond the early formative years of life through the adult years.

In the event a session must be missed, please contact the office and / or catechist in advance to ensure you have all of the resources necessary to teach the lesson at home.

Mass Participation

Parents seeking to raise their children in the fullness of the Catholic faith, should see to it that their family participates in Mass each Sunday and every holy day of obligation. Nothing is more important for faith formation than our celebration of the Eucharist with our Parish community. Please make every effort to participate in Mass regularly.

**Harassment Policy for Non-Employment Situations in
Schools/Centers, Parish Religious Education and Parish
Youth Ministry
Programs of the Diocese of St. Petersburg**

POLICY:

The Diocese of St. Petersburg requires that each parish, Catholic school or early childhood center establish and adopt this policy that prohibits any form of harassment by any individual. The Diocese of St. Petersburg strives for the establishment of a Christian, professional and supportive educational environment for all persons engaged in or involved with religious education programs, schools and early childhood centers, and parish youth ministry programs in non-employment situations. No parish, school, or early childhood center will be responsible for off campus harassment, unless it occurs at a parish-, school-, or early childhood center-sponsored event.

PURPOSE OF THE POLICY:

This policy intends

- ❖ that each individual is free from physical, psychological or verbal intimidation and harassment in the schools, early childhood centers, religious education and youth ministry settings;
- ❖ that each individual involved in schools, early childhood centers, religious education and youth ministry programs maintain and further develop attitudes and behaviors which express respect for others and are reflective of each person's God-given dignity;
- ❖ to encourage a heightened sensitivity toward behaviors that others may find offensive and intimidating, whether these behaviors refer to race, religion, color, gender, sexual orientation, national origin, age, marital status, familial status, veteran status or disability.

Weather

We will follow the County & Parochial School guidelines pertaining to weather alerts, evacuations and canceled sessions.

**Religious Education / Faith Formation
Discipline Policy**

Students in Faith Formation at Espiritu Santo Roman Catholic Church and School are expected to behave in a manner that reflects the ideals of our Christian faith and which promotes a positive learning environment in the session. To be able to assist children in practicing self control suitable to their age, as well as establish a learning environment that is calm and orderly, we have some basic rules:

1. Keep hands, feet and other objects to yourself.
2. Talk respectfully—no name calling, teasing, cursing, etc.
3. Follow directions the first time.
4. Bring required books and supplies to class.

Severe disruption of class will result in the child being removed from class and the parent being called. A meeting will be held with the Director at that time.

THE GOLDEN RULE:

Treat everyone as you wish to be treated!

Espiritu Santo Catholic Church and School

Do not wait in the parking lot for your child.
Students will not be permitted to leave their classroom without you, or persons authorized by you. *** *middle and high school sessions may dismiss without parent signature (unless stated otherwise in writing by parent).* ***

THANK YOU for your interest and cooperation in the safety of all those entrusted in our care.

SUMMARY OF DIOCESAN POLICY FOR THE PROTECTION OF CHILDREN, YOUTH AND VULNERABLE ADULTS

The Diocese of St. Petersburg remains committed to the well-being of those who are served by the Church, and has placed two rings of protection around our children, youth and vulnerable adults - **a criminal history background check and safe environment program training.**

Background screening - is the first line of defense. A Level 2 Criminal History Background Check of anyone who wishes unsupervised access to children, youth or vulnerable adults. It is a check of an individual’s background predicated upon an electronically taken and transmitted set of digital fingerprints matched against prints contained in the FBI National Criminal Information Center database and the FDLE criminal history system database.

Safe Environment Program (SEP) Training - is the second line of defense. Both SEP Training and Level 2 Criminal History Background Check are required **before** an individual can have the care, responsibility, and or supervision of children and youth or access to vulnerable adults.

The Diocese of St. Petersburg does not accept background screening reports from any federal agency, state agency, or private information vendor regardless of the screening organization and regardless of the position that an individual currently holds or may have held in the past—NO EXCEPTIONS— This means that the sharing of criminal history reports between entities is not allowed.

The complete text of the Policy of the Diocese of St. Petersburg for the Protection of Children, Youth and Vulnerable Adults is available on the diocesan website: **www.dosp.org**
