

Religious Education Families - Finding God: "God Our Creator and Father"

"God saw all that He had made, and it was very good." Genesis 1:31

As our Domestic Church Hybrid Model of Faith Enrichment concludes the lessons from Unit One in Loyola Press Finding God: "God Our Creator and Father" ... families find beautiful examples of God's great creation all around!

The beauty of God's creation is all around us especially in nature.

Annabelle Bitner

Anderson Family enjoying God's creation – and Mary!

We look up to God! He is everywhere! He is everything! ***Liam Shannon 7th grade***

God created the plants for me to breathe. God created Mary to be Jesus' mom. ***Mackenzie Pollard***

Emmett chose this station because Jesus said to the children "come to me" ...

God the creator... has given me the life I once prayed for. ***Ashley Smith, daughter Kayleigh Smith, 2nd grade***

Religious Education Families - Finding God: "God Our Creator and Father"

"God saw all that He had made, and it was very good." Genesis 1:31

This picture represents how God is giving us life, creating trees and nature that keeps us alive, health in body and mind, and that's important to keep family happiness. **Contreras Family**

God is the creator of beauty.
Trutter Family

In this picture we include many creations of God; his love that was created in a woman and a man as part of our marriage, the life creation that was created in our children. The sea, the sky, and the land are all beautiful creations of God that we are blessed and enjoy often as family. **Soto Family**

Naylor Family appreciating God's creation.

God creates all living things. Land, air and sea. **George Homsí**
God creates bugs that are beautiful and not just dangerous.

Vivienne Homsí

God created butterflies to remind us to spread our wings and show the world our unique, stunning colors.

Leila Homsí

God's beauty! **The Roebuck Family**
