mystagogia
is initiation into that
which is not yet fully
revealed.

Many of us think of mystagogia as the final period of the catechumenal process, occurring in the 50 days after the Easter Triduum. It is, however, a *much broader reality*. We need to shift our thinking a bit. Mystagogia is not only for the 50 days, but for all our days. From the very beginning, our encounters should be mystagogical. Mystagogia should primarily be a liturgical experience that takes place in the midst of the Sunday assembly. The neophytes might be gathered a few times in the Easter season, specifically to remember and explore the experience of their initiation at the Vigil. But the systematic, catechetical process of the catechumenate ended when Lent began. Now the hope is for the neophytes to enter into the ongoing adult faith formation process. And that process is, of course, mystagogical. GOALS FOR MYSTAGOGIA GATHERINGS:

- An experience of Christ in the celebration of the Sunday liturgy.
- An exploration of that experience deepened by conversation and reflection.
- A continued connection with sponsor and others who have been supportive on the journey thus far.
- A desire to continue to grow in faith enrichment, knowledge ... and practically live out the teachings of the faith. Translation – understanding, compassion, service, love.
- ***“Faith is either missionary or it is not faith. If I say that I am a Christian and I live like a pagan, it does not work!” Our Holy Father Pope Francis***
