

Espiritu Santo Parish Pastoral Council
September 19, 2018

Present: Father Len Piotrowski, Father Brad Reed, Jeff Fitzcharles, Elaine Feldman, Ana Gutierrez, Joe Iijas, Missy Liermann, Scott McGowan, Jennifer Pettersen, Daniel Rodriguez, Michael Ryckman, and Shaun Shea.

1. **Opening Prayer:** The meeting was called to order at 5:00 p.m. with an opening prayer service.
2. **Minutes:** The minutes of the May meeting were approved by consensus.
3. **Council Member Photos:** New members Elaine Feldman, Daniel Rodriguez, and Michael Ryckman were asked to submit a photo to Michelle Ishman for the frame in the Parish Center.

Old Business:

4. **Pastoral Plan:**
 - **Goal 1:** Shaun and Jen got together over the summer. They are fine-tuning the video project. They want to start showcasing videos on the website this year. Scott will look into uploading videos. Objective 1 has been the most challenging for them. They feel that they should increase awareness of and encourage parishioners to attend events already taking place, rather than starting new ones. The New Member Welcome meetings are extremely organized. The only change they suggest is to update the video.
 - **Goal 2:** Ana will be meeting with some young adults to try to begin a high school youth group. Jeff reported that the QR code and sign are still needed for the outside stations box. Brian Jones has the code. Jeff has scheduled the Stations of the Resurrection for 7 Fridays after Easter.
 - **Goal 3:** Scott reported that they have done more work on Objectives 1 & 2 than on 3 & 4. They still have to find implementation teams and extend the timelines. They are working on the testing phase of the app, and an informational brochure is in the works.

New Business:

5. **Blessing of the Pastoral Council:** This will be discussed at the next meeting.
6. **Next Meeting:** The next meeting is Wednesday, October 17, at 5:00 p.m.

7. **Closing Prayer:** The meeting ended at 6:00 p.m. with a closing prayer.

Respectfully Submitted,

Patricia Roane
Recording Secretary
